

We've **Built** an Even **Better** Formula for Pro-Stat[®] Advanced Wound Care

Pro-Stat[®] AWC (Advanced Wound Care) now includes Citrulline, an amino acid that is a safe and easy way to increase Arginine levels and produce nitric oxide needed for wound healing.

Pro-Stat[®] AWC with Citrulline for More Advanced Wound Care

- Complete protein supplement
- Concentrated liquid protein with added L-Arginine, L-Citrulline, L-Cystine, Vitamin C and Zinc
- The only wound care supplement with Citrulline
- For patients with advanced wounds and increased protein needs
- 17 g of hydrolyzed protein and 108 calories per 30 ml serving

Pro-Stat[®] AWC *with Citrulline*
